

DARLENE WHALEN

Chair, Board of Directors
St. John's International Airport Authority

ONWARD AND UPWARD

The St. John's International Airport Authority is pleased to announce the appointment of Ms. Darlene Whalen, P. Eng., to the position of Chair of the Authority's Board of Directors. Ms. Whalen was nominated to the Board of Directors in 2007 by the Town of Conception Bay South. Since her appointment, Ms. Whalen has served as a member of the Board's Governance Committee and the Finance and Audit Committee.

Ms. Whalen is a registered professional engineer and has consulted in the areas of environmental science and engineering. She has held the full-time position of Vice-Chairperson for the Public Utilities Board since 2000. Prior to joining the Public Utilities Board, she was with the Faculty of Engineering at Memorial University of Newfoundland for 11 years. With her background and expertise, Ms. Whalen will provide strategic direction for the Authority as it moves into a period of growth and expansion that will transform St. John's International Airport – the premier gateway to Newfoundland & Labrador.

Ms. Whalen replaces Mr. Fraser Edison, who has completed his term with the Authority's Board of Directors.

The St. John's International Airport Authority is a private, not-for-profit organization with the mandate to provide the region with a safe, cost-efficient transportation facility that is a catalyst for economic growth.
